ABSTRACTS

We are seeking presenters who work in the Arizona-Sonora border region promoting healthy lifestyles. Projects may include specific efforts on either side of the Arizona-Sonora border, as well as cross-border and/or bi-national collaboration in **prevention, promotion and research in the areas of chronic disease, substance abuse, violence, infectious disease, and environmental health**. Please note that priority will be given to abstracts which address the conference theme: "Promoting healthy lifestyles in border communities." The Abstract due date is June 13, 2008. *The planning committee reserves the right to decide if a presentation will be accepted as an Oral Presentation or a Poster Presentation.*
